## GOVERNMENT OF GOA

Department of Co-operation

Office of the Registrar of Co-operative Societies

### Order

No. 15/344/ADT/RCS/2020/137

Whereas, due to Covid-19 pandemic and subsequent lock down, the co-operative societies are unable to carry out their regular day to day business and therefore unable to simultaneously maintain the required financial parameters vis-a-vis to provide the required services to its members thereby causing them inconvenience in paying loan instalments and other such dues of the society.

And whereas, to mitigate the burden of debt servicing brought about by disruptions on account of Covid-19 pandemic and to ensure the continuity of viable businesses, certain regulatory measures particularly to the Urban Co-operative Credit Societies, V.K.S.S./P.A.C.S. and Multi-purpose societies having credit counter are felt expedient.

Now therefore, the Government in exercise of the powers under Section 68 of the Goa Co-operative Societies Act, 2001 announces the following measures applicable to all the Urban Co-operative Credit Societies, V.K.S.S./P.A.C.S. and Multi-purpose societies having credit counter.

### 1. Rescheduling of Payments – Term Loans and deferment of interest:

- (a) All borrowers of term loans from credit societies shall be given voluntary option to avail 3 months moratorium for all the EMIs due between 01-03-2020 to 31-05-2020. The society shall accordingly rework the EMI and allow extra 3 months to pay the dues beyond the agreed terms of loan. Interest shall continue to accrue on the outstanding portion of the term loans during the moratorium period.
- (b) The working capital facilities sanctioned in the form of cash credit/overdraft ("CC/OD"), society shall at the request of borrower allow deferment of the recovery of interest payable in respect of all such facilities during the period from 1-03-2020 upto 31-05-2020 ("deferment"). The accumulated accrued interest shall be recovered after 31-05-2020.

### 2. Classification of Non-Performing Asset (NPA):

The moratorium/deferment is being provided specifically to enable the Micro, Small and Medium Enterprises (MSME)/Individuals to tide over economic fallout from COVID-19, the same will not be treated as concession or change in terms and conditions of loan agreements due to financial difficulty of the borrower. The asset classification of term loans which are granted relief shall be determined on the basis of revised due dates and the revised repayment schedule. The rescheduling of payments, including interest, will not qualify as a default for the purposes of classification of assets and supervisory reporting to the controlling Authority within the moratorium/deferment period upto 31-05-2020.

### 3. Additional provisioning:

The society out of its net surplus arising from its business and after making necessary provision in the manner prescribed under Clause (a) to (e) of

Section 52(2) of the Goa Co-operative Societies Act, 2001 for the year 2019-2020 and 2020-2021 shall make additional provision of 5% towards exigencies arising on account of Covid-19 pandemic. The 50% of the balance surplus if any shall then be appropriated for creating special reserve with a lock in period of two years. This special reserve can be adjusted towards the N.P.A. provisioning as and when required and after lock in period of two years this special reserve fund may be transferred to the General Reserve or any other fund with the approval of the Registrar of Co-operative Societies. The above provision shall not be reckoned for arriving at net N.P.As till they are adjusted against the actual provisioning requirements. Further, till such adjustments these provisions shall not be netted from gross advances but shown separately in the balance sheet as appropriate.

#### 4. Provisioning and payment of dividend:

Most credit societies may face financial stress on account of the prevailing economic situation posed by the Covid-19 pandemic and therefore as a preventive measures all credit societies (except Salary Earners Co-operative Societies) are refrained from appropriating its profit towards payment of dividend to its members for the financial year 2019-2020 and 2020-2021. However for justified reason and evaluating the financial condition of the society, the dividend may be appropriated with prior approval of the Registrar.

The Board of Directors and the key management personnel of the lending institutions shall ensure that the above instructions are properly communicated down the line in their respective organizations, and clear instructions are issued to their staff regarding its implementation. It shall also ensure that the explanation annexed herewith are duly followed while implementing above measures. In case of any ambiguity on interpretation, requiring any clarification, the same shall be issued by the Registrar of Co-operative Societies.

By order and in the name of the Governor of Goa.

*Vikas S. N. Gaunekar*, Registrar & ex officio Joint Secretary (Co-operative Societies).

Panaji, 06th May, 2020.

#### ANNEXURE

##### Explanation:

(1) A moratorium implies that the customers may opt to delay the payment of their monthly loan installments (Pre EMI/EMI) for a limited period as

defined in the order. The interest, at the applicable interest rate, shall continue to accrue on the outstanding portion of the loan during the moratorium period, e.g. if a moratorium of 3 months is granted by co-operative society, and a member wishes to avail of this benefit, then his EMI for March, April and May, 2020 gets suspended. From June, 2020, the EMI restarts as per the choice opted for by the member.

(2) When moratorium is availed, the amount payable alongwith interest during the said period shall be added to the principal outstanding amount as on 01-03-2020 and accordingly the amount alongwith the accrued interest shall be clubbed with the principal outstanding therein as on 01-03-2020. The amount of loan thus arrived at shall be restructured over a period agreed upon in the loan agreement/bond by rescheduling the total installment, recovery period and amount at the existing interest rate.

(3) The moratorium and deferment of interest will not have any adverse impact on asset classification and need any provisioning only during the period of moratorium.

(4) The moratorium and deferment of interest option shall be completely voluntary and shall not imposed or compulsory on the beneficiaries. All loans that were disbursed on or before 29th February, 2020 will only be eligible for the moratorium. Interest shall continue to accrue on the outstanding principal during the moratorium period.

(5) The moratorium will be applicable to both principal & interest components i.e. the moratorium is applicable on loans in which members are paying either EMIs or Pre EMIs. The interest, at the applicable interest rate, shall continue to accrue on the outstanding portion of the loan during the moratorium period.

(6) The EMI will be recalculated at the end of the moratorium period so that the principal together with the accrued interest get amortised over the balance term of the loan.

(7) No penal interest shall be charged, however moratorium should not be understood as a waiver and hence interest will continue to accrue on the outstanding principal during the moratorium period.

(8) The member has an option to continue paying EMIs/Pre EMIs as per the schedule during the moratorium period. However, moratorium is an option provided by concerned society to its members who are facing a financial difficulty or a

liquidity crunch during this unprecedented situation and therefore members who wish to carry on with the payment of their EMIs/Pre EMIs as per their original schedule can do so.

(9) If the member has neither opted in or opted out for the moratorium, then his account will remain unchanged. The default choice is, thus, opt out.

(10) The rate of interest will be charged as per the applicable interest rate on the loan.

(11) If the member have already paid the March instalment, the applicable moratorium period will be for the remaining 2 months.

(12) In the case of multiple loans, the member will have to select the moratorium option for each account separately.

(13) Lending institutions shall frame Board approved policies for providing the above-mentioned reliefs to all eligible borrowers, *inter alia*, including the objective criteria for considering reliefs as disclosed in public domain.

(14) The installments shall include the following payments falling due from March 1, 2020 to May 31, 2020: (a) principal and/or interest components; (b) equated monthly installments.
